Fiscal Impact Statement for Department of Environmental Services rules governing Emergency Bulk Water Supply for Public Waters Systems. [Env-Dw 304]

1. Comparison of the costs of the proposed rule(s) to the existing rule(s):

Not applicable, these are new rules.

2. Cite the Federal mandate. Identify the impact on state funds:

No federal mandate, no impact on state funds.

3. Cost and benefits of the proposed rule(s):

A. To State general or State special funds:

None.

B. To State citizens and political subdivisions:

None.

C. To independently owned businesses:

To the extent an independently-owned business is required to have analytical tests completed on bulk water it may haul to public water systems during an emergency, there may be increased costs.
